Igora Drive Center Description

[CLICK HERE TO WATCH VIDEO](#)

Igora Drive is a unique place that combines entertainment and technical sporting activities in the North part of St.Petersburg in 1,5 hours from the city center. Igora Drive complex offers world-class opportunities for professional, amateur racers, spectators and fans. The Centre is designed by Hermann Tilke, the famous architect of over 75 world-class Formula 1 circuits. There you have everything to enjoy motor sports – speed raceways with unique layout, state-of-the-art vehicles, first-class racing equipment.

Igora Drive Experiences

Karting Competition

Enjoy raceway tussle and high speed on our new Sodi RT8 390cc 13 hp karts.

No kart driving proficiency is required, cars are well suited both for adults and youngsters above 14 years old and taller than 140 cm. Easy-adjustable pedals of Sodi RT 8 karts ensure driving comfort for people of any height.

Any number of races may be purchased by adults and children depending on track availability. For the sake of safety rental includes helmet and balaclava.

Racing taxi with a professional pilot

A race taxi ride is a great opportunity to enjoy the speed and the skills of Igora Drive the Main Track with professional instructor, and fully enjoy the sharp turns of the most modern racing circuit in Russia.

The main track of Igora Drive was built under design of Hermann Tilke, chief architect of advanced Formula 1 circuits. The track has several overtakes, and the best racing skills may be viewed at the fourth and the seventh turns.

Racing Master Class

A master class with an instructor at Igora Drive is your unique chance to drive on the most modern race track in the country (length:4,086 m; 14 turns).

The professional pilot will show you how to properly negotiate the turns of Track, help you choose the right braking points, and give you some useful tips.

Retro car exhibition

The retrospective exhibition brings together unique cars, and each of them has its own story, which will be of interest not only to motorists, but also to the widest circle of guests.

Thematically, the exhibition space is divided into Historical exposition and Car in Cinematograph exposition.

Historical exposition tells the history of the automotive industry in the first half of the twentieth century.

Car in Cinematograph exhibition demonstrates cars, without which the heroes of cult films could not do without. Among them "Lorraine Dietrich" (Lorraine Dietrich 12 HP) 1908 - the favorite car of Adam Kozlevich from the movie "The Golden Calf"; classic Aston Martin (Aston Martin DB6) 1967 beloved by Agent 007

Favorite restaurant

«Favorit» Restaurant is located on the second floor of the pit building of Igora Drive Center with view to the world class race track.

You are welcome to taste gourmet cuisine dishes in artful and comfy interiors. The restaurant offers unique views of starting line, main grandstand and the first turn for incredible racing experience.
