Experience life of Russian People of XV century

If you would like to fully immerse yourself in the culture of your travel country, the best idea would be to start from its origins. Russia is well known for its versatility and originality. You are invited to a wonderful journey to Russian old village called Mandrogi where you'll touch the history and feel the Russian soul.

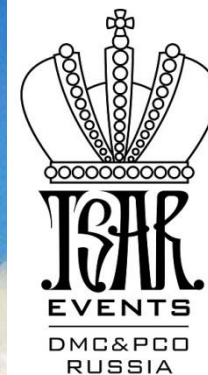

MANDROGI – An Amazing Russian Village

The newly rebuilt Russian village in the traditions of the best Russian wooden architecture has all the necessary facilities & accommodation in the Russian style log houses.

The village is situated in 340 km from St-Petersburg on the picturesque Svir river, surrounded with natural woods.

Facades of the hotel building are very unusual in architecture. You will have a feeling that you are in a fairytale!

Accommodation

Mandroggi village was formed by XIX century historical Russian houses which were transferred here from the village of Vologda region. These houses (Izba in Russian) were found in villages where no one lives anymore. The real peasant houses are carefully restored and filled with love with articles from the daily life of that period and you have a wonderful opportunity to stay the night in an old wooden house equipped with antique furniture

RUSSIAN BANYA

If you want to have fun with health benefits, then the Russian Banya on firewood – is a great choice! Bath procedures are the best remedy for bad mood and stress. No wonder in Russia they say: "Bath soars, bath rules, bath will fix everything."

Activities

During your vacations in Mandrogi Russian Village you will never find yourself bored as there is always a lot of things to do and to see:

Mandrogi has 2 museums on its territory:

Russian Vodka Museum – where you are able to learn more about the origins of the world-famous drink and also have a tasting

And **Local Craft Museum** - where many masterclasses take place:

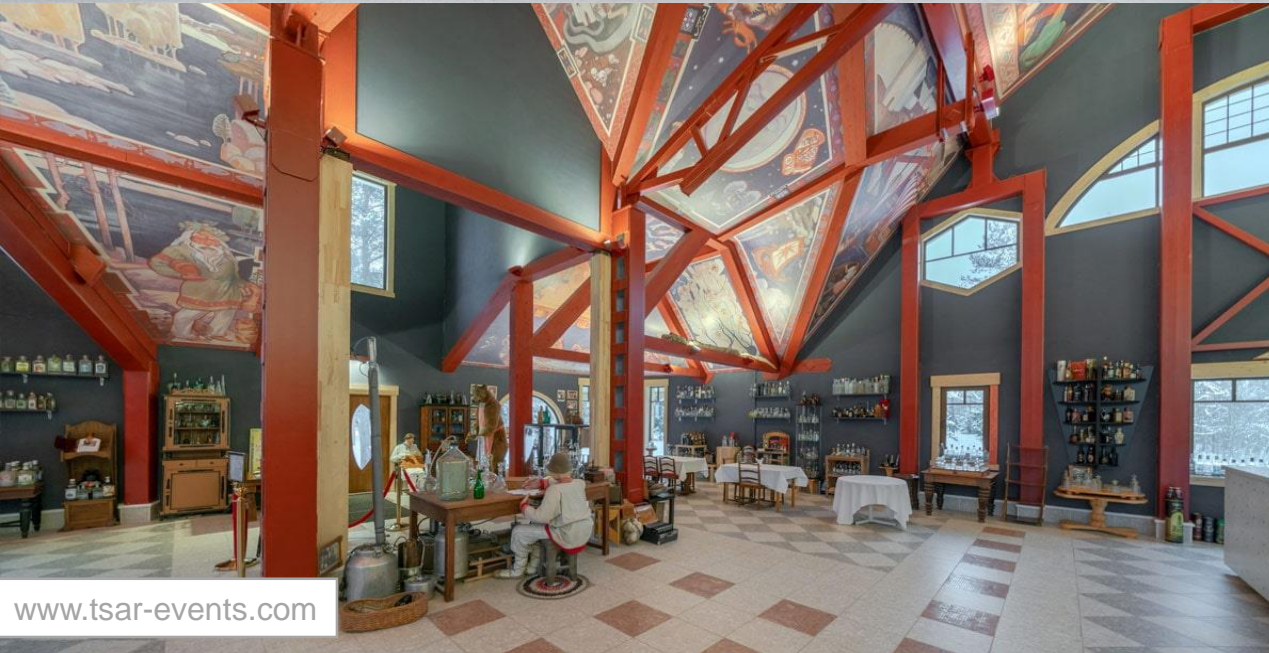

Blacksmithing

Pottery

Candlemaking and etc.

MUSEUM OF RUSSIAN VODKA

Horse riding and fishing

What is the real Russian soul without having a horse ride in the forests and fields and then go fishing on the river Svir?

Here you are able to do this in one day!

Master classes of local craft

Agree with me that every person coming back from vacation wants to bring something that will always remind you of this journey. What if we offer you to make this memorable thing by yourself?

Mandroggi is a place where you have an opportunity to have master classes in several activities:

Soapmaking

Candlemaking

Rag Dolls

Traditional dish coloring

Russian authentic distaffs

Dress in traditional clothes

Restaurant

Once you're hungry after such a productive day, there is always a restaurant on the territory which offers you quite tasty and unusual cuisine with dishes cooked by traditional recipes and have a cooking master class to repeat these meals at home for your family.
