EXPAND YOUR RANGE IN ST. PETERSBURG

To make your city tour more special we suggest to incorporate altitude theme in the guests' experience. Try to go 100 meters underground into the deepest and most beautiful metro stations in the world, take a canal and river tour at 0 m level and fly above St.Petersburg on a helicopter to see bird's eye view! Make sure to buckle up! Finish up the day with dinner at Terrassa with the spectacular view of the city.

METRO TOUR – UNDERGROUND PALACES OF ST.PETERSBURG

Subway stations exhibit many typical Soviet designs and features exquisite decorations and artwork making it one of the most attractive and elegant metros in the world. Due to the city's unique geology, the Saint Petersburg Metro is the deepest metro system in the world. First metro line (from Avtovo to Ploschad Vosstania) was opened on November 15, 1955. During the guided tour around the Metro you will visit the the most beautiful stations: Ploshad Vosstania, Vladimirskaya, Avtovo, Nevsky Prospect and other stations.

CANAL & RIVER TOUR

Boat trip on St. Petersburg's canals is one of the highlights of any visit to the city. The boats circle through many of the 64 canals, under beautiful bridges and past magnificent palaces and other landmarks dating back to the 20th, 19th and 18th century. Canal boats are available from many docking stations around the city and provide a wonderful way to see the historic city from different perspective. Upon request cocktail reception with glass of champagne can be arranged on board.

ROOFTOP TOUR

Seeing the city from above is a must when visiting St. Petersburg. Since the mid 19th century local law has limited building height, with the exception of churches, to that of the tsar's Winter Palace (23.5 meters). Today, if you climb onto the roof of any six-storey building in the downtown, you'll be able to see the glorious St. Petersburg skyline and its major architectural gems.

TERRASSA RESTAURANT WITH THE VIEW OF KAZAN CATHEDRAL DOME

The terrassa is a panoramic view restaurant located on the rooftop of one of the city center's tallest buildings. The city's main landmarks – Nevskiy Prospekt and the Kazanskiy Cathedral – could be observed here whilst having a meal.

The restaurant is unique for its breathtaking outdoor terrace area of three hundred fifty square meters which makes it perfect for welcome or farewell dinner.
